

Hunterdon Family Physicians

Secured Online Patient Portal

Our practice provides electronic communication with patients via NextMD Patient Portal.

Things you can achieve through the Patient Portal:

1. Email your physician with questions
2. Review your labwork
3. Refill prescriptions
4. Request referrals
5. Review your medical records

Follow these easy steps to sign up:

NAME: _____

DATE OF BIRTH: _____

EMAIL ADDRESS: _____

MOTHER'S MAIDEN NAME (for security): _____

CITY YOU WERE BORN IN (to retrieve password if you forget): _____

1. Create a user name with 7 or more letters (one or more must be a number)

User Name _____

2. Create a password with 8 or more letters (one or more must be a number)

Password _____

Once you return this form to us, we will sign you up and email you with directions to access

****Don't forget to jot down your user name and password so you don't forget!!****
